Three things never to do

Never gold

Two siblings own it. Fraunces is the serif here.

Never a filled seal
The seal is drawn, not stamped. It stays a line.

Copper is the metal. Gold belongs to Bar Ellington.

Photography direction

Six shots that would carry the site, and one generated sample of the direction.

SHOT 01

A walnut desk under one brass lamp, a finished leather notebook closed, the rest of the room falling into green shadow.

SHOT 02

Brass fittings on a bottle green door, shot close, the metal warm and worn, the paint deep and matte.

SHOT 03

A cream card on green baize with a single copper pen laid across it, lamp light from the right.

SHOT 04

SHOT 05

SHOT 06

A leather chair from behind, a window with rain, a laptop closed on the side table, quiet and finished.	A row of walnut shelves with one object per shelf: a clock, a bound volume, a phone face down.	A craftsman's hand polishing a copper edge, sleeve of a dark green jumper, everything else soft.

Voice note

The words do not change between options. The presentation does.

A website in a week. A
working app in a month.
One fixed price.

Greenhouse speaks like a letter from someone you trust. Full sentences, a warm serif, one italic for emphasis, a rule between thoughts. It offers, never pitches.
