

BRAND KIT. OPTION E, COASTLINE. SEPTEMBER 24TH, 2026

Coastline

The Studio is easy to work with. The process is as clear as the price, and nothing about it will stress you.

Marks

Three pieces: the primary lockup, the monogram and the wordmark. Each is drawn as SVG and shown on the light ground and the dark ground.

96 px

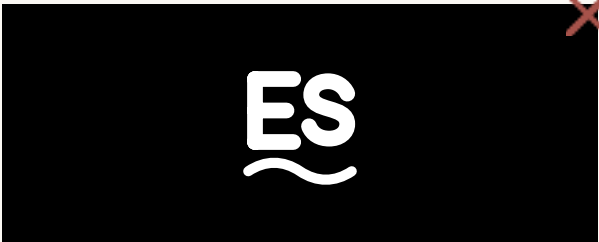

The monogram is never set below 16 px. The lockup is never set below 120 px wide. Below that, use the monogram alone.

CLEAR SPACE

Clear space on every side equals x, one quarter of the monogram's height. Nothing enters the box.

Three things never to do

Never pure black

Never a square corner

Never a glossy shadow

The darkest ink is Charcoal. Black closes the page.

Cards at 16px, buttons at full pill. A sharp edge breaks the calm.

Depth comes from Sand on Warm White, never from a drop shadow you can see.

Photography direction

Six shots that would carry the site, and one generated sample of the direction.

SHOT 01 A closed laptop on a pale wood porch table, morning haze, the ocean far behind and out of focus.	SHOT 02 A linen cloth, a ceramic mug and a paper notebook in soft side light, nothing glossy in the frame.	SHOT 03 A sage plant on a windowsill, the window fogged at the edges, the light warm and low.
SHOT 04 A phone face up on driftwood, the screen a plain pale page, sand in the background.	SHOT 05 A founder's hands on a keyboard at an outdoor table, sleeves pushed up, the frame cropped at the wrists.	SHOT 06 An empty chair on a porch at dawn, a laptop bag beside it, sea glass blue in the far distance.

AI generated sample, September 24th, 2026. Pale wood porch table, closed laptop, linen, ceramic mug, morning haze, the Pacific out of focus, sage at the edge.

Voice note

The words do not change between options. The presentation does.

A website in a week. A
working app in a month.
One fixed price.

Coastline speaks the way a good host does. Short, warm sentences with room around them, no pressure, and the price said once and plainly. It exhales, and lets you exhale too.
